T. N. Thompson Heads SM County TB Association

T. N. Thompson, Redwood City bank executive, Monday night was elected president of the San Mateo County Tuberculosis and Health Assn. at a meeting which served as the kick-off for the campaign to put over the $1,500,000 bond issue for a new county tuberculosis facility.

The association Monday night also went on record in favor of the Community Hospital site for the new institution. Both the bond issue and the choice of sites are to go before the voters at the June 1 election.

Thompson was elected during a dinner meeting at which Dr. Harold Chope, the county's new health director, struck an economy note.

As guest of honor and principal speaker, Dr. Chope outlined his philosophy as a health administrator, stressing budget problems which he faces. The director of the health department, which is to use nearly half of the proposed $8,000,000 budget, promised effective utilization of the funds and closer budgetary control.

"Budgeting is a year-round process and close budget control is a prime responsibility of the administrator," he declared.

"The San Mateo County Health and Welfare Dept. has the largest budget, over three and a half million dollars. The administrator must know and be able to prove at any time that these funds are being expended effectively and efficiently, that his bosses, the citizens of the county, are receiving in service and protection a full dollar's worth of every dollar entrusted to him from tax funds for expenditure."

He said that officials and citizens should be able to tell from the budget the cost of any one service rendered by the department, such as a nursing visit, a tonsillectomy, or a hospital admission.

"It is too early for me to make a specific statement," Dr. Chope declared, "but it is my impression that the present budget system of the department is not set up to provide adequate budget control.

"From the present budget, you can't intelligently report how the money is spent."

He outlined his administrative philosophy as "PODSCRB"—planning, organizing, directing, staffing, coordinating, reporting and budgeting. He said that he would attempt to carry out these functions efficiently.

More than 200 members of the association, county officials and guests were present at the election of officers and to hear Dr. Chope speak. The dinner was held at the Benjamin Franklin Hotel in San Mateo.

Thompson, cashier of the First National Bank, succeeds as president Eugene M. Selgave of San Mateo. Thompson has been active in the organization for 11 years.

Other officers elected last night were Dr. St. J. Lester Russell, Hillsborough, vice president; Mrs. Leonard MacWilliams, Burlingame, secretary; and Al Stoner, San Mateo, treasurer. They succeed Dr. Harry C. Warren, Atherton; Mrs. J. M. Foley, San Mateo, and Thompson.

Mrs. Ruth Close remains as executive secretary of the organization.

The executive committee picked last night consists of Howard J. Walzer, San Mateo; Dr. R. D. Borley, Half Moon Bay; and Dr. Richard McLaughlin, Burlingame.

The board of directors named, for **three - year terms:** Mrs. George Cameron, Hillsborough; Daniel Koshland, Hillsborough; George Davis, Millbrae; Edward P. Kauffman, South San Francisco; the Rev. Francis P. Foote, Burlingame; O. H. Olson, Menlo Park.

For **two-year terms:** Mrs. J. M. Foley, San Mateo; Eugene S. Selvage, San Mateo; Mrs. Mae Migge, Lomita Park; Dr. Kenneth B. White, Burlingame.

Safeway Trims It *Before* Weighing
...SO YOU SAVE MONEY

HEAVY CHINE BONE REMOVED
by Safeway (and replaced with a layer of fat, light in weight, to seal in meat juices) before we weigh your rib roast on the market scales. It gives you a roast that cooks and carves better

We'll Give You 2 Rib Roasts
(THEY WON'T COST YOU A PENNY!)
*If ever you get a Safeway Rib Roast not trimmed this money-saving way**

END SECTION OF SHORT RIBS REMOVED
by Safeway before we weigh your rib roast (we sell these short ribs separately, at a lower price per pound). Your Safeway rib roast includes only the tender center portion that will roast just right

Test purchases by Independent Bureau show you can save money on meat

We asked an independent research organization to check methods of trimming meat here.

And we secured proof that it pays you to check trimming as closely as you check price when buying meat.

In 201 representative markets in this area where they bought meat they found a great variation in the way meat is trimmed.

In 94% of the markets other than Safeway, rib roasts purchased were not trimmed before weighing. Had the rib roasts been first trimmed and *then* weighed (as Safeway does), the average saving would have been a little over 9¢ per pound. Actually, customers of some of these stores would have saved amounts up to 20¢ per pound.

This survey shows unmistakably that thousands of housewives in this area are paying regular meat prices — which are high enough these days, goodness knows — for waste that is thrown away!

- ***Example:*** **For rib roasts purchased UNTRIMMED shoppers paid an average of over 54¢ more per 6-lb. roast than if these roasts had been trimmed BEFORE weighing. In some markets up to $1.20 more!**
- ***Example:*** **For T-bone steaks purchased UNTRIMMED shoppers paid an average of almost 22¢ more per 2-lb. steak than if these steaks had been trimmed BEFORE weighing.**
- ***Example:*** **For rib lamb chops purchased UNTRIMMED shoppers paid an average of over 18¢ more for six chops than if these chops had been trimmed BEFORE weighing.**
- ***Example:*** **For legs of lamb purchased UNTRIMMED shoppers paid an average of over 42¢ more per 6-lb. roast than if these roasts had been trimmed BEFORE weighing.**

Wherever you buy meat you are entitled to money-savings that result from proper trimming of each cut before it is weighed. *Insist that your butcher trim this way. If he refuses, why not buy at a market where this kind of trimming is done?*

It means more tender, juicy meat in every pound you pay for...*a bigger value for your meat dollar at Safeway!*

YOU SEE ABOVE how Safeway removes excess bone and waste from rib roasts *before* weighing. And the test-purchase report presented here shows you how important it is to compare trimming as well as price.

We prepare other cuts in similar fashion — each according to its special requirements. This waste-free cutting is part of Safeway's Guaranteed Meats plan. We *regularly* trim our meats this way.

When you compare meat prices, remember that Safeway's prices always are on the TRIMMED cut, free of excess bone, waste and fat, ready for cooking.

If ever you're not satisfied that the meat you buy at Safeway is trimmed the money-saving way we say, just show it to the manager of the Safeway store where you bought it. If your Safeway rib roast (for example) is *NOT* trimmed as shown above—you get *TWO* rib roasts without a penny's extra cost *(and without quibble or argument!)*

Safeway buys nothing less than the top government grades of beef (all beef sold at Safeway is U.S. Government graded) . . . nothing less than the top grades of lamb, pork and veal. More. We hold our meats the full number of days needed to bring out peak flavor and tenderness. And we safeguard their goodness with exact temperature controls.

Come prove for yourself — there's more good-eating at less cost in Guaranteed Meats from Safeway!

SAFEWAY GUARANTEED MEATS

*This offer effective at all Safeway markets in this County

Tip Toppers to Hold Party Saturday Night

Golden Gate Tip Toppers have invited all tall people who are interested and eligible to join their club to a party at St. George's Hall, 849 California Dr., San Mateo on Saturday at 8 p.m.

Men who are at least 6 feet 3 inches tall in their stocking feet and women who are at least 6 feet tall are eligible to join. All applicants must be 18 years of age or over. In the case of married applicants, both husband and wife must fill the height requirements for membership in the club.

There is no maximum height limit, the Tip Toppers report. They add that their tallest male member is 6 feet 9 inches and their tallest female member is 6 feet 2¾ inches tall.

Weekly parties of the club include dancing, bowling, skating, hay rides, caravans to the mountains and the sea. All the parties of the club are self-supporting, according to the Tip Toppers, who add that the cost of the parties is divided equally among those attending.

Anyone interested in attending the party on Saturday may call Miss Cherie Goecken, 50 Clark Dr., San Mateo, San Mateo 3-3866 for reservations.

Josephine Lodola Becomes the Bride of Joseph Berni

At a recent wedding in Mt. Carmel Catholic Church, Josephine Lodola of San Carlos became the bride of Joseph Berni of Lomita Park.

The bride wore white satin and carried a bouquet of four light orchids in a nosegay, from which cascaded more than two dozen white butterfly orchids. Her old fashion styled gown featured a bustle back, and was highlighted on the bodice and down the left side and train with tiny marquisette stars sewn on in splattered profusion. Her finger-tip veil was lace trimmed.

Mrs. Arlington Burns of Oakland was the matron of honor and wore a yellow dotted swiss gown with bustle back. Her hat was of fellow marquisette. She carried an old fashioned nosegay composed of green carnations and four yellow butterfly orchids.

Mrs. Louie Rossi of Redwood City, Miss Irene Vinci of Redwood City, and Miss Olga Lomi of Alameda, were the bridesmaids. They were dressed alike in green dotted swiss and hats of green marquisette. They carried matching bouquets of yellow carnations and green butterfly orchids.

Best man duties were performed by Theodore Daldon of Lomita Park.

Ushers for the benedict were Mel Massolo of Millbrae, Ed Gotteli of San Francisco, and Mario Ottonello of Lomita Park.

The bride was given in marriage by her father Joseph Pisano of San Carlos.

Mrs. Pisano chose an aqua green afternoon dress for her daughter's wedding and with it she wore two large orchids.

The bridegroom's mother, Mrs. Amadeo Berni of Lomita Park, wore a black suit and black accessories and a corsage of orchids.

A six tiered wedding cake was the center of decor at the reception for more than 500 people, following the afternoon ceremony. Guests gathered at the Foresters' Hall in Redwood City to toast the newlyweds. Their honeymoon took them south.

The new Mr. and Mrs. Berni met at a dance over 10 years ago and then lost track of each other. Six months ago they again met at a dance and renewed their acquaintance, with the resultant happy ending.

Josephine is a graduate at Technical High School in Oakland and has been living at home in San Carlos for the past year.

The bridegroom is a graduate of Burlingame High School and is a nurseryman in Lomita Park, where the newlyweds will reside.

American Contract Bridge League Organizes Peninsula Branch Here

A Peninsula branch of the American Contract Bridge League is being organized and will meet each Friday at 8 p.m. in the Redwood City Woman's Club.

The local chapter will be a non-profit organization. Rating points will be awarded the winners each week.

The tournament begins at 8 p.m. and anyone interested in tournament play and in improving his game is invited to attend.

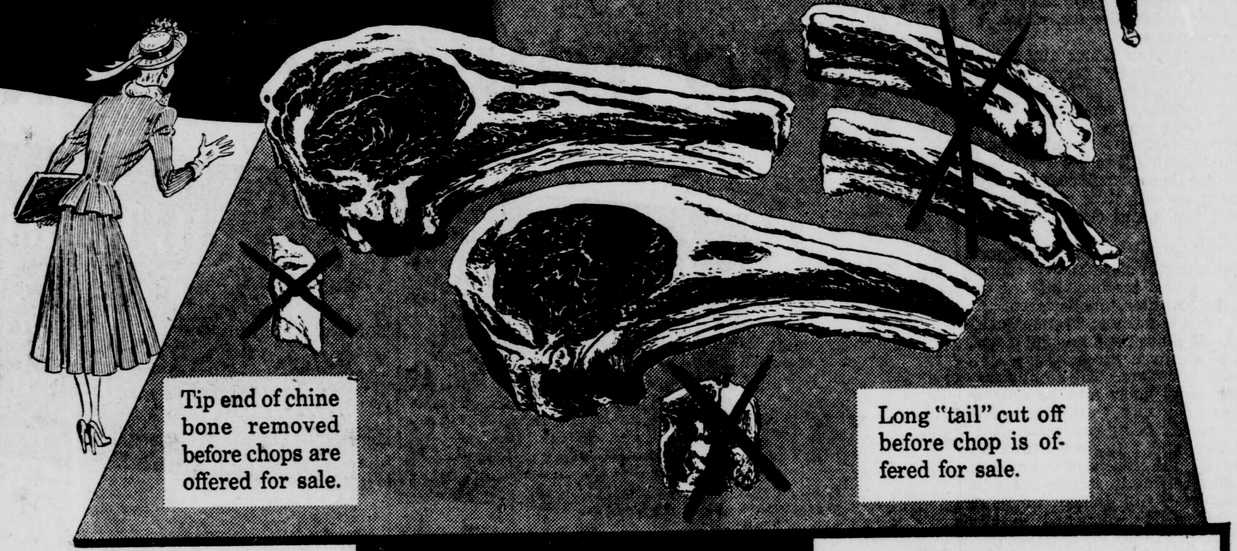
George S. Gooden of Belmont, well-known bridge instructor is temporary chairman and Mrs. Howard P. Anderson of Redwood City is secretary-treasurer.

Winners of last week's tournament were Mr. and Mrs. George S. Gooden, first; Mr. and Mrs. W. C. Cadwalader, second; Roy Hurd and Harold Miller, third.

Ballet Theater to Give 'Wizard of Oz'

Peninsula residents should be interested in the coming performance of the "Wizard of Oz," to be presented by the Children's Ballet Theater of San Francisco at the Marine Memorial Theater on May 15 and 16.

SAFEWAY MEATS are trimmed before weighing —SO YOU SAVE MONEY!



When you compare meat prices, it is important to compare trimming, too. Safeway meats are trimmed free of excess bone, fat and waste...you pay only for good eating meat. For example, note in the drawing at the right how Safeway rib lamb chops are trimmed waste-free. And...we start with quality meats. We buy only top government grades of beef—top grades of lamb, pork and veal. Meats so good that we guarantee they'll please you.

We'll give you DOUBLE the number of Rib Lamb Chops you buy (they won't cost you a penny) if ever you get SAFEWAY Rib Lamb Chops not trimmed this money-saving way

Steel, Oil Ration Plan Proposed

WASHINGTON (AP)—Compulsory steel allocations to the petroleum industry and perhaps nationwide oil rationing were recommended today by a House committee unless vountary efforts improve the critical oil shortage.

A report released with unanimous approval of the armed services committee said:

"The nation is in a grave situation with respect to its petroleum. The national defense is in a precarious position. Congress is confronted by decisions on this subject that are as basic, we believe, as any matters that have arisen in recent years."

The report, written by a subcommittee headed by Rep. Short (R-Mo), made these major recommendations:

1. **Compulsory steel allocations to the petroleum industry if a voluntary program now being worked out by the Commerce Department is not successful.**
2. A revival of oil rationing, unless civilian consumption can be reduced by the government and the petroleum industry through voluntary means.
3. Establishment at once of an oil stockpiling program by the armed forces, plus the establishment of additional military petroleum reserves.
4. Continued exploration in Alaska, with $20,000,000 to be made available during the next five years to push the exploration as rapidly as possible.
5. Immediate development of tidelands oil resources.

P.A. Man Held In Burglary Case

Phillip W. Wallick, 21-year-old lineman, 2301 Waverley St., Palo Alto, was bound over to superior court yesterday after Wallick waived preliminary hearing on burglary charges.

Wallick was arrested at his home Apr. 28 and charged with the Apr. 15 robbery of Hiatt Bros. Welding Shop, 1001 Terminal Way, San Carlos. He is charged with taking an electric grinder and four hydraulic hubs valued at $175.

$10 Fine Levied In Speeding Case

Oliver Dibble Jr., 43, Kings Mountain Rd., Woodside, was fined $10 yesterday afternoon by Judge Rupert Johnson of San Carlos for speeding 60 miles an hour.

Dibble was arrested by San Carlos police and taken to county jail on Apr. 24 after he refused to sign the speeding ticket.

Carrot Straws *Fluted Cucumber*
Green Pepper Rings and Slices in Vinegar
Strawberry Shortcake or Bowls of Fresh Berries with Cream
Coffee *Milk*

You'll go for Sunset's easy MAIN DISH

WESTERN HOSPITALITY CASSEROLE

1 (1 pound) package dried lima beans
4 tablespoons shortening or drippings
1 medium-sized onion, chopped
1 green pepper, chopped 1 pound ground beef
Salt and pepper to taste 2 cans tomato sauce
½ to ½ cup brown sugar
3 slices bacon, cut in fourths

Wash and pick over beans. Place in large kettle, cover with about 3 cups cold water, let soak for 3 to 4 hours. Then add 2 cups water, salt well, cover, bring beans to a boil. Simmer gently 45 minutes to 1 hour or until beans are almost tender. Drain, saving liquor. In a heavy pan, slowly brown onion, green pepper and ground beef. Add tomato sauce and 1½ cups of the bean liquor (filled out with water if necessary). Adjust seasonings to taste. Place cooked beans in a large pottery casserole. Pour sauce over beans, sprinkle with brown sugar, arrange bacon pieces over all. Bake uncovered in a moderate oven (375°) for 1 hour. Serves 8 to 10.

Citizens Group Airs Bond Issue

John R. Ball, chairman of the Citizen's Committee sponsoring the Sequoia High School bond issue and special tax proposals, announced that the committee would meet tomorrow night at 7:45 in the Sequoia High School library.

The committee has now reached 40, Ball said and more workers are needed.

New workers who have signed up include Mrs. John Clark in the Menlo Park area, George Forbes and Mrs. Walter T. Kellogg Jr., in San Carlos; and Ray Weymouth and John Ryan in Redwood City.

PTA Fashion Show Hailed As Success by Mrs. Hoyle

Netting a profit of $175 for purchase of needed school equipment, the Belmont Parent Teacher Assn. declared its Junior Fashion Show presented last Friday, a success. Mrs. Jack Hoyle acted as general chairman.

More than 40 children of the school acted as models for the clothes selected from the San Carlos and Belmont stores for children.

Mrs. (Teddy) Sorg was the commentator for the evening's performance.

Program for the affair was handled by Mrs. Edward Hannibal and included various youngsters of the Belmont School.

Sylvia Oblender and Rita Rosenblum were guest violinists.

Rosalyn Stuparich directed the puppet show, "Darby and Joan" with the assistance of Melva Johnson and Mercedes Wisler.

In Portuguese costume, Jacqueline Howerton presented "Fado Blanquito," a dance number.

Proceeds from the show are marked for purchasing equipment for the students at the school, according to Mrs. Hoyle, who reports that a meeting with the school board will be held before the money is definitely allocated for any specific project.

PRESS GROUP MEETS

Mr. and Mrs. Lester Lafferty of the San Carlos Enquirer were hosts to the San Mateo County Press Assn. at Bondy's in Belmont Monday night. Mrs. Aileen Bramble, copublisher of the South San Francisco Enterprise, presided at the meeting.

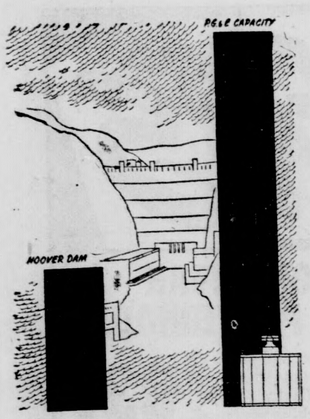
Quick picture of America's biggest power-building program

In three and a half short years... between now and the end of 1951... P. G. and E. will add nearly two million horsepower in generating capacity. To help you understand how big this program really is, here are some comparisons.

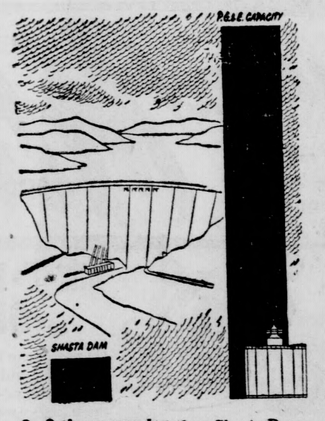
More power than was needed to meet all the pre-war requirements of Northern and Central California will be added.

The program is creating jobs for thousands of men. The estimated peak work force will exceed 6,000.

It's the biggest program of any electrical utility in America today, costing more than $400,000,000. It is now proceeding at more than $10,000,000 a month.



Added to previous totals, the new power will give P. G. and E. a generating capacity about three times that of Hoover Dam.



Or 8 times greater than Shasta Dam. This program, now in its third year, is going full speed ahead!

New Plant Schedule

It takes time to build power plants... more than three years to build a steam generating plant. Like everyone, we were delayed by wartime restrictions and postwar building problems. Some of the orders for equipment have been held up many months. But, we're making steady progress now. Here's a schedule of major new plants and completion dates, which will be met unless there are further unforeseen delays.

PLANT	CAPACITY		COMPLETION DATE
Kern Steam—First Unit	101,000 horsepower		Spring 1948
Electra Hydro	133,000	"	Summer 1948
Station "P" Steam	298,000	"	Winter 1948
West Point Hydro	21,000	"	Winter 1948
Colgate Hydro	40,000	"	Summer 1949
Cresta Hydro	101,000	"	Winter 1949
Kern Steam—Second Unit	134,000	"	Spring 1950
Rock Creek Hydro	169,000	"	Summer 1950
One Steam Unit	150,000	"	Summer 1950
Five Steam Units	150,000	" each	Year 1951

Work never stops on our power-building program

33 Members Attend Fire School Class

All 33 paid and volunteer members of the Belmont Fire Dept. Monday night started attending the fire department's annual 30-hour fire school, according to Chief Elbert Miller.

The school will meet each week night for three hours for the next two weeks. All phases of fire fighting including drill on gasoline and oil fires, rescue and salvage work, and first aid are included in the school, Miller said.

Besides Miller, instructors include Asst. Chief Harry Chamberlain, Asst. Chief Robert Ellenberger, Capt. Jack Morrissey, and Capt. Melvin Miller, drillmaster for the San Francisco Fire Dept.

Attendance by all paid and volunteer members of the department is compulsory, Miller said.

Trio Named by Mayor To Adjustment Board

Francis Britschgi, Paul Jones and John Layng were Monday appointed by Mayor W. M. Werder to the City Board of Adjustments. This board is a part of the planning commission and is charged with investigating applications for use permits under the new city zoning ordinance.

Ruth Assn., OES Holds Luncheon

Dinah's Shack was the setting for the May meeting of the Ruth Gleaners Assn., Order of the Eastern Star. Each member brought her mother or a close friend as a guest.

Tables were decorated with sweetpeas and baskets of lace paper, and each guest was presented with a corsage of gardenias.

Imogene Jenson and Marie Hoffman were in charge of the arrangements.

Members and their guests present from the 40th district were Gladys Lindquist, president of San Carlos Chapter 551; Mae Harvey, Nell Peterson, Laurel Chapter; Byrtha Marshall, Madella Byrne, San Carlos Chapter 551; Cara Byrne, Wendy Thompson, Palo Alto Chapter; Mrs. Casten, Gertrude Jepsen, Palo Alto Chapter; Mrs. LePeire, post matron of Palo Alto Chapter, Morine Gaunt, Marie Jenkins, Burlingame Chapter; Mrs. E. Pitshman, Erna John, Burlingame Chapter; Mrs. Kuhn, Imogene Armstrong, Burlingame Chapter, Mrs. Hallgren, Enda Bradford, Menlo Chapter.

OES Service Club Holds First Meeting

The first meeting of the Sequoia Chapter Service Club of the Order of Eastern Star met at the home of Mrs. Stuart Campbell, 802 Edgehill, this week.

After a discussion on the name for the group and on the procedure for election of officers, the members adjourned for a social hour and refreshments. Mrs. Ordell Cohen was the presiding officer for the meeting.

The group will sponsor a Rummage Sale on May 14, and 15 in the building at 1738 El Camino. All Redwood City OES are instructed to call for pickup service by contacting the following people if they have donations for the sale: Mrs. Eleanor Padgett at EM. 6-6997; Mrs. Marie Rouse at S.C. 182-R; and Mrs. Ordell Cohen, EM. 6-7451.

Next meeting of the service group will be Wednesday, at the home of Mrs. Eleanor Padgett, 18 Clinton St. All Sequoia Chapters OES are invited to attend.

Age Is an Ally Of Wise Women

The mature woman who refrains from reminiscing about her youthful beauty has taken a long step forward in making age her ally instead of her enemy.

Such a clever lady never calls attention to her current figure problems by making self-deprecating remarks such as "When I was young and slim. . . ."

She doesn't waste time sighing over the gradual changes in skin tone and facial contours. She realigns her beauty routine to put more emphasis on lubricating creams to chase away lines; or pinker-toned make-up to offset incipient sallowness. Instead of deploring the appearance of gray in her hair, she'll adopt a new and neatly styled coiffure to display this silvering to best advantage.

Rather than grant any quarter to the years by admitting she's "too old" for sports or exercise, our exemplary middle-aged woman finds a recreation she can swing without draining her energy.
